Striking – the envy of all that see it

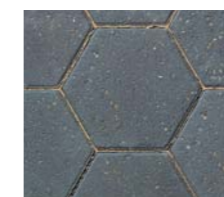

# Agora

The geometry of this unique paver makes the Agora from ReadyPave® a stand alone product in its own right.

Create unusual lines which draw the eye; insert planting areas where you can grow aromatic herbs and eye-catching stepping stones which you can't help but explore. Guaranteed, this unusual paver will add interest and intrigue to any scheme or style of property.

Agora – perfect for those who love to show their individuality.
