

# Services And Surcharges Price List

Effective 1st May 2017

## Services designed around you.

At CEMEX you can always expect the highest standards and outstanding customer service. We also believe that you should have transparency of any additional charges so that there are no surprises. Our current charges for Services & Surcharges are therefore outlined below:

Services	Price	Unit	How it works
<b>Part Load</b>	£15.00	Per Tonne Not Carried	Prices are based on minimum loads of 20 tonnes. Deliveries below this minimum will be subject to a part load charge per uncarried tonne. Subject to having received a minimum of 2 full loads, no 'part load' charges shall apply where the order quantity requires a balancing load of less than 20 tonnes for completion.
<b>Waiting Time</b>	£1.60	Per Minute	We will apply a charge of £1.60 per minute after the 30 minute free period.
<b>Split Load</b>	£45.00	Per Load	Split loads will be charged at £45.00 per load. We cannot take liability for cross contamination.
<b>Returned Product</b>	£10	Per Tonne	When material is returned we will apply a charge for the cost of handling administration and haulage recovery.
<b>Cancellation</b>	£3.00	Per Tonne	A charge will apply to orders cancelled after 15.00 hours on the day prior to delivery. Charges are applicable when 50% or more of the ordered volume is cancelled.
<b>Extended Working Hours</b>	£1500.00	Per Day / Night	If required, and subject to planning we can work outside of our normal working hours in order to help. Please call to enquire.
<b>Paper Copy Invoice</b>	£10.00	Per Copy	If you need additional copies of your invoices and proof of deliveries we'll provide a posted copy or if you prefer a scanned PDF version via email.
<b>Paper Copy Proof Of Delivery (POD)</b>	£10.00	Per Copy	
<b>Public Weigh Single Tare</b>	£15.00	Per Vehicle Weigh	Should you require an independent confirmation of your vehicle tare weight, our calibrated weighbridges will provide an accurate and reliable reading.
<b>Public Weigh Double Tare</b>	£35.00	Per Vehicle Weigh	
<b>Aggregate Levy</b>	£2.00	Per Tonne	Aggregate levy is a UK tax on the commercial exploitation of sand, gravel and rock. There are some exemptions from the levy, further details can be ascertained from HMRC. All prices and quotations issued from CEMEX will be inclusive of this levy where applicable.
<b>Environmental Surcharge</b>	£0.08	Per Tonne	A surcharge to contribute to the increased costs of obtaining the necessary licence to operate, from first identifying reserves through to final restoration of the site. The £0.08 per tonne environmental surcharge is in addition to your quoted price whether verbal or written.

This document does not form part of our contract and all our suppliers are subject to acceptance of CEMEX standard conditions of sale in accordance with our quotation. (These are available on request.)
